### A Prayer for the world

God of love and hope, you made the world and care for all creation, but the world feels strange right now. The news is full of stories about Coronavirus. Some people are worried that they might get ill. Others are anxious for their family and friends. Be with them and help them to find peace. We pray for the doctors and nurses and scientists, and all who are working to discover the right medicines to help those who are ill. Thank you that even in these anxious times, you are with us. Help us to put our trust in you and keep us safe. **Amen**

### A prayer for all those affected by coronavirus for daily use.

*Keep us, good Lord, under the shadow of your mercy.  
Sustain and support the anxious, be with those who care for the sick,  
and lift up all who are brought low; that we may find comfort  
knowing that nothing can separate us from your love in Christ Jesus our Lord.  
Amen.*
